

# First event of the EU STI Platform in India

## Public Private Partnerships and Innovation

19 September 2013 | 13h00-21h30 | *Le Méridien* | New Delhi - India

Are you involved in research and innovation cooperation between India and Europe? Interested in Public Private Partnership and Innovation?

Join the **First event of the EU STI Platform in India** and share your experience with other actors in this field!

With key-note speeches, a panel discussion, four break-out sessions and two brokerage sessions, the first event of the EU STI Platform in India gives the participants a unique opportunity to **learn, share and discuss European and India experiences of PPP**.

The discussion will focus on:

- Latest developments in innovation and PPP policies in Europe and India
- Intellectual Property Rights and PPP
- Affordable and Inclusive Innovation and PPP
- Role of Higher Education Institutions in the Indian Innovation System
- Social dimension of innovation

Guest of honour:

**H. E. Mr. João Cravinho**, Ambassador and Head of Delegation, Delegation of the European Union to India

Key note Speakers:

**-Dr. Renu Swarup**, Managing director of BIRAC (Biotechnology Industry Research Assistance Council)

**-Mr. Hugo Vits**, Bitumen Technology Manager, Site and HSSE Manager Bangalore Technology Centre, for Projects & Technology in Shell India

Information and registration: Visit <http://www.b2match.eu/euindiastiforum2013>

Participation is free of charge upon prior registration.

The European Science, Technology and Innovation Platform in India has been formed by an interested group of European organizations to: enable information, knowledge and experiences sharing between the members; increase their collective and individual visibility; and act as a single point of entry for industries and public organizations wanting to establish themselves in India. The Platform was launched in early 2013 and is funded by the New INDIGO initiative.

EURAXESS Links India is a networking tool for European researchers working in India and Indian researchers wishing to collaborate and/or pursue a research career in Europe. EURAXESS Links provides information about research in Europe, European research policy, opportunities for research funding, for international collaboration and for trans-national
